

## Press release

Augsburg (Germany), 26th October 2020

### **TEDDY ROUSSEL BECOMES DIRECTOR AFTERMARKET EUROPE DIVISION**

Faurecia, a world leader in automotive technology, appoints Teddy Roussel as Director Europe for "Original Equipment Services" (OES) and Faurecia Service (IAM) at Faurecia Clean Mobility. Its mission will be to support the development of Faurecia Clean Mobility's IAM business in Europe.

Teddy Roussel has a master's degree in Management and Purchasing from the Business School IAE of the University Savoy in France. He started his career at Faurecia in 2009 in the purchasing department. Before taking on his new functions, Teddy Roussel had occupied the position as a Senior Manager OES for Faurecia Clean Mobility Europe since 2017. Teddy Roussel replaces Jean-Daniel Jeunehomme, who has taken on new responsibilities within Faurecia Clean Mobility.

With the Easy2Fit® exhaust kits and the FilterCleanBox, a cleaning machine for particulate filters, Faurecia Service responds to the market demand for facilitating the handling, sale and maintenance of exhaust systems. Faurecia Service offers innovative solutions that guarantee a mobility that we want to make cleaner and cleaner.

*"I would like to thank Jean-Daniel for the solid and structuring basis that has been created under his management and on which we can build in order to continue our growth and stabilization in this market. In doing so, we intend to continue to focus on innovation and ensure compliance with the strictest environmental standards," says Teddy Roussel.*
